Sukon Services Guide

Every Islamic service on Sukon, how booking works, what to keep ready and what we promise. Edition: October 2026.

How booking works

1. **Choose a service.** Open the service page on sukonapp.in or the request form, and tell us what you need, where and when.
2. **We call you back.** A Sukon coordinator contacts you, usually within one working day, to understand the details and answer questions.
3. **Clear quote in INR.** You receive the price, what is included and the name of the verified provider in writing. Nothing is charged before you agree.
4. **Service is done.** A KYC-verified Imam, teacher or partner carries out the service. For Aqiqah, Qurbani and Badal Umrah you receive proof of service.
5. **Follow up.** Track your request in your Sukon account and tell us how it went. Any problem goes straight to our support team.
